Digital Banking and Mobile App FAQ

Meridian National Bank | Document ID: MNB-FAQ-DIG-007 | Version 3.5 | Effective: 01 September 2026

This is a synthetic document created for software testing (RAG evaluation). Meridian National Bank is a fictional institution; all figures, names and policies are invented.

Registration and Login

Q: How do I register for the MNB Mobile app?
A: Download the MNB Mobile app, enter your registered mobile number, verify using the OTP and your debit card's last 6 digits with PIN, then set a 6-digit MPIN. The app binds to the device and SIM card; a SIM change requires re-registration.

Q: How many failed login attempts are allowed?
A: After 5 incorrect MPIN attempts, the app is locked for 24 hours. Net banking is locked after 3 incorrect password attempts and must be unlocked using an OTP and debit card verification.

Q: Can I use biometric login?
A: Yes. Fingerprint and face unlock can be enabled after the first MPIN login, subject to device support.

UPI and Payments

Q: What are the UPI limits?
A: The default per-transaction limit is INR 1,00,000 with a daily limit of INR 1,00,000 and a maximum of 20 transactions per day. For a newly registered UPI user, the limit for the first 24 hours is INR 5,000.

Q: My UPI payment failed but the money was debited. What now?
A: The amount is reversed automatically within 5 working days (T+5). If it is not reversed, raise a dispute in the app under Help > Transaction Issues. Compensation of INR 100 per day is payable to the customer for delays beyond T+5 for failed transactions.

Q: Can I add a credit card to UPI?
A: Yes. RuPay credit cards issued by MNB can be linked to UPI for merchant payments only.

Cards and Limits

Q: How do I block my card?
A: Open the app, go to Cards, select the card and tap Block. You can also send SMS BLOCK followed by the last 4 digits to 5676700 or call 1800-000-0123.

Q: How do I change my transaction limits?
A: Go to Cards > Manage Limits. The maximum online debit card limit is INR 2,00,000 per day. A newly set limit takes effect after a 24-hour cooling period when it increases above the previous level.

Security

Q: Does MNB ever ask for my OTP, PIN or CVV?
A: Never. MNB staff will never call or message to ask for these details. Report suspicious messages to reportphishing@meridian-nb.example.

Q: What is the beneficiary cooling period?
A: When a new payee is added, transfers above INR 50,000 to that payee are held for 4 hours as a fraud-prevention control.

Q: App not working?
A: Update to the latest version, check that the device is not rooted or jailbroken (the app does not run on

such devices), and ensure the date and time are set automatically. Scheduled maintenance happens on the second Sunday of every month between 1:00 AM and 4:00 AM IST.

Support

Chat support is available 24x7 inside the app. Phone banking is available at 1800-000-0123 (toll-free) 24x7. Branch hours are Monday to Friday 10:00 AM to 4:00 PM and the 1st, 3rd and 5th Saturdays 10:00 AM to 2:00 PM.
